01:46:11 JoLynn Braley: So funny and also very inspirational
01:46:16 Thérèse Lemmen: Wow!
01:46:21 Elizabeth Hayduk: @Jasmine--who is 'fat Joe'?

01:46:28 Mishelle Thorpe: I had NO idea that happened!! How inspirational
01:46:34 BIGS: Maria Gavriel & Olga Melina: another good steve video - very cool
01:46:38 Helaine Harris: Wow is right!
01:46:38 Carol Stokes: That brought tears to my eyes.
01:46:43 Nancy DeParga: That was criminal.
01:46:43 Elizabeth Hayduk: TY :) xx
01:46:56 JoLynn Braley: I've actually watched Family Feud just to laugh because he's so funny :-D
01:46:57 Jasmine Ashley: Steve Harvey is amazing
01:47:03 Kristin McHarg: What a stud!
01:47:07 Teresa O'Keefe: Talk about perspective. I found his book JUMP very inspirational. That man WORKS!!!
01:47:12 Jasmine Ashley: In real life
01:47:42 Michelle: wow
01:47:59 "I Am" Ms. Sophia: Do we need permission to play other people's videos in our events?
01:48:00 Kathleen Stapleton: That happened to me. I was paying the payroll service and they took the money intended to go to the IRS. I found out in the 2nd year.
01:48:17 Kay Kirkman: Hi Deb! Your comment went to me. Make sure you set your recipient as "Everyone in Meeting". It was a great comment, please share with everyone...
01:48:19 5 - Ema - - EPM : @Kathleen: how is it even possible?
01:48:28 Thérèse Lemmen: Wow, Kathleen. It pays to send the check directly to the IRS.
01:48:31 Kristin McHarg: Oh my goodness! Kathleen! Wow, how do you make sure they are following through?
01:48:35 Elizabeth Hayduk: Love Steve Harvey--an inspiration to my husband and I, ever since my husband was diagnosed with MS. Steve Harvey shared about his battle with it. xx
01:48:40 5 - Ema - - EPM : Glad I send my payments directly
01:48:45 Helaine Harris: I hope it worked out better for you, Kathleen.
01:48:52 Kristin McHarg: Steve Harvey has MS?
01:48:56 Melinda Høgvard: The IRS has a portal to confirm receipt - always best to check
01:49:14 Thérèse Lemmen: Melinda, Yes, good to know and verify.
01:49:18 Kristin McHarg: @Elizabeth Got any good lit or videos from him about this? My brother has MS
01:49:19 Julie Team Christian: How many of you can relate with what Christian is saying?
01:49:20 Elizabeth Hayduk: @Kristin McHarg: yes, he doesn

01:50:16 Jasmine Ashley: Yes

01:50:49 BIG Dr. Jill Rosenthal: I loved Borders Bookstore but after they went out of business I was left with a bunch of unused gift cards from them that I had given!

01:50:50 Cynthia Higgins: Definitely; I've had so many ideas I've pitched to companies who either weren't interested or where the situation just didn't work out with me being anything other than in charge of my own destiny

01:51:24 Tina (BkLir member): @Jolynn me too.

01:51:31 Elizabeth Hayduk: Kristin: Steve Harvey wrote about it in his book, & also shared on TV.

01:51:44 Kristin McHarg: Thanks Love! I'll check it out. :)

01:51:56 Drew McMahon: My Ex-girlfriend owned a Beauty Salon. She collected Taxes from her employees but kept the money for herself. 4 years later the IRS told all the employees they owed a ton of money. She served 7 years in prison and died at 44 from alcoholism a few years after she got out. Both her parents died while in prison, couldn't attend the funerals.

01:52:00 Kathleen Stapleton: @Kristin, they performed the quarterly paperwork, debited my business account and they kept the money. they showed me the forms they prepared, but kept the money. And like Steve said, you saw those "right figures" get withdrawn from your account, and you assume they forwarded the funds to the government. Instead they pocket your money,

01:52:24 Cynthia Higgins: I can identify with Christian's experience of "being between a rock and a hard place". Choosing to follow your vision even when it might be easier to choose something else

01:52:26 BIG Dr JuJu Love: @Julie - Thanks for the link!

01:52:29 Kristin McHarg: UGH! That is sickening!

01:52:55 Tina (BkLir member): Christian...I remember coming across GIFT-tastick years ago.

01:53:30 Teresa O'Keefe: I'm following Christian's story.. i can imagine the chat is distracting to see while he's telling his story. Imagine your participants side chats...

01:54:09 Ellie: @Kristin, agreed!

01:54:48 Teresa O'Keefe: Sounds like a very clunky process!

01:54:55 Drew McMahon: There was a guy here in Chicago who put 4 Sale signs on Vacant lots. He took \$10,000 cash deposits from people. He never owned the land. He made over \$300k

01:55:08 Tina (BkLir member): @Kathleen Stapleton...sorry to hear that happened to you. Have you thought about incorporating what you learned from that in a book or as a short story you share in events???

01:55:35 5 - Ema - - EPM : @Kathleen: yes a financial fitness course :)

01:56:40 Kathleen Stapleton: TY great ideas.

01:56:53 Tina (BkLir member): Christian...what a dilemma between the gifts stick biz and coaching and the debt.

01:58:32 Helaine Harris: Christian, you were still creative even back in those days.

01:58:51 Kathleen Stapleton: Loved Raisinettes, but not for dinner!

01:58:56 Maury Power: that's hilarious

01:58:59 Jen Holmes: This is such a funny story... but only now in hindsight

01:59:04 Tina (BkLir member): @Christian I know what it's like to hustle and sacrifice. Kudos for hanging in there & staying optimistic through those rough days...like Helaine said very creative!!

01:59:07 Teresa O'Keefe: "Winter is Coming!"

01:59:22 Amalia Montague: That's the cycle I'm in right now. Up and down income. Really stressful. But this course is really helping me see how my business could flourish. The "how too..." aspect has been so valuable.

01:59:45 Jim Costanzo: We have to do what gets us by, you found a way to survive. It only works is you work it....and you found a way to work it!

01:59:47 Jasmine Ashley: That's all he had to eat that's one of the reasons your so blessed Christian the pain pushed you towards your purpose

01:59:59 Diana Kraft: That's why life pressures can be a gift in disguise... the saying is that necessity is the mother of invention

01:59:59 Thérèse Lemmen: Amalia, That's great!

02:00:35 Candace Smashnuk: how do we AVOID THAT?

02:00:42 Amalia Montague: Thank you @therese ☺

02:00:44 Thérèse Lemmen: Good question Candace!

02:00:58 Tina (BkLir member): Lifecycles of biz...biz is born when the owner makes a significant investment....so TRUE!!

02:01:13 Thérèse Lemmen: Christian, Could you please answer Candace's question: How do we avoid

the poverty mentality?

02:01:31 Thérèse Lemmen: You're welcome Amalia!

02:01:36 Rosanna M. Lo Meo: I think about that

02:01:59 Elizabeth Hayduk: Overwhelmed by info overload. :(\\

02:02:21 Kristin McHarg: A book/ week? You must have been single at the time.

02:02:24 Thérèse Lemmen: Aww, Elizabeth. Just breathe. Take in what you can.

02:02:40 Diana Kraft: @Elizabeth - I get like that, too... need time to process :)

02:02:43 Tina (BkLir member): Glad you kept going...you stretched muscles you needed to develop so you could be where you are now. The Universe had your back the whole time!!

02:02:45 Sasha Tarasova: Therese: heal that mentality

02:02:50 Teresa O'Keefe: True Diana - when you are short on resources, resourcefulness has to kick into high gear.

02:03:01 Thérèse Lemmen: Sasha, Yes, of course. Thanks!

02:03:14 Elizabeth Hayduk: TY, Therese Lemmen :) xx

02:03:26 Thérèse Lemmen: YW Elizabeth :)

02:03:36 BIG Dr. Tanja van Huellen: @Theresa :There is a way getting out of poverty mentality, infact lots of and IM is the fastest, so start with the Peace process

02:03:43 Diana Kraft: @Teresa - my best successes were borne out of seemingly horrific failures & problems

02:03:59 Teresa O'Keefe: Same!

02:04:02 Elizabeth Hayduk: (((((((Diana Kraft))))))))))

02:04:12 Helaine Harris: I did Tony robbins Fire walk workshop years ago. It did help me!

02:04:20 Kristin McHarg: Christian! Cajones!

02:04:27 Teresa O'Keefe: I'm in the midst of it now.

02:04:42 Bill Morillo: Yes @Diana! True story.. I have had similar experiences.

02:04:49 Diana Kraft: Gotta love the problems and failures :)

02:05:37 BIG Dr. Tanja van Huellen: sometimes necessity is the mother of invention

02:05:37 "I Am" Ms. Sophia: Do we need permission to play other people's videos or music during an event?

02:05:47 Teresa O'Keefe: Fail forward and learn from every problem.

02:05:48 Helaine Harris: Those challengers often force us to become creative! So glad you went through that Christian , so you are helping us today!

02:06:12 Jason Parker: Success comes to those that choose to take on the belief that EVERYTHING happens FOR them instead of TO them. EVERYTHING is a GIFT

02:06:20 Alexandra: My internet is unstable so I will be on & off of video

02:06:29 JoLynn Braley: What was your huge inner breakthrough Christian? The one you said you had to make and then your business started exploding and then doubling each year?

02:06:36 Thérèse Lemmen: Jason, Nice. Thanks!

02:06:39 Cynthia Higgins: Love that Jason! So True!

02:07:16 Jasmine Ashley: I'm a single mom my decision and I found out I'm much stronger than I could've ever imagined Momprenuers

02:07:18 Drew McMahon: Mcdonalds is now up to \$2M

02:07:18 Regena Peltan: @Christian - Would you share what was the Big Internal Shift you made that you said was a Game Changer?

02:07:23 Ade Oduntan: 1002%

02:07:24 Candace Smashnuk: BE THERE EVERYDAY

02:07:32 Thérèse Lemmen: For franchises, not only do you have to pay for the franchise but you have to pay for the proprietary merchandise/food.

02:08:00 Fiona Tan: Do we need to register a company now if we have no client yet?

02:08:01 Helaine Harris: Everything does happen to push us to evolve, even if we don't know it at the time.

02:08:08 Diana Kraft: @Teresa, I've changed to thinking the problems might not be problems - I only sometimes fall into the trap of seeing them that way when in the thick of things, like recently shutting down my life's work after burnout from the last 2 years

02:08:09 Candace Smashnuk: THIS IS AWESOME

02:08:12 Jasmine Ashley: When you pay you pay attention

02:08:20 Carla Sridevi Cohen: Same thing with MLMs people. Investment is so low its easy to walk away.

02:08:23 Ellie: Many people would have defaulted hard, and so many do. I guess you have to know who you are and how you are motivated.

02:08:35 Jen Holmes: REJECTION BE DAMNED!!!

02:08:37 Iana: Christian, do you suggest the same stressful way for the women? I feel that I am functioning and performing much better when I am relaxed and creative, rather than stressed out in surviving and paying debts. Do you think there could be some differences for the women (expand from inspiration, not from the need) or it's the same for everyone? thank you

02:08:41 Tina (BkLir member): Yep. But now McDonald's franchise is much higher. A former McDonalds owner years ago offered to buy a Burger King location for me & be a partner....

02:09:07 Drew McMahon: Subway costs \$80k to get started, plus you have to sign a lease. If you're lucky you can make \$80,000 workings 80 hours week.

02:09:10 Teresa O'Keefe: I look at problems as preparation. There's something I need to learn from going through the experience.

02:09:10 Cynthia Higgins: This isn't purely about money. Its about Dharma. This cost of not doing this is my soul

02:09:12 Diana Kraft: @Fiona - depends on where you are and how you present. A sole proprietor has a lot more room for legal play

02:09:19 Ben: Christian, your Send the Love, Save the Hassle - Giftastic! biz idea sounds so awesome, It makes me think & imagine how cool would it be to translate that idea & have a coaching biz idea for giftcards toward or for coaching sessions, like a certificate for people who want to send some love some way to people they love in their life who could use some clarity, a lil' nudge, when they are "stuck", need support in their life or goals, coaching in their life, etc and send some coaching love to them with the giftcard idea, haha - that would be so cool, or something like a phone a friend for Who wants to be a millionaire show, but phone a coach biz idea would be neat too

02:10:00 Lisa: Most people will work harder to not lose a million dollars than to earn a million dollars!!!
mic drop

02:10:18 Ellie: Nice @Cynthia!

02:10:44 Cynthia Higgins: Thanks! It's true!

02:10:49 Drew McMahon: Play Van Halen 'Jump' video

02:11:03 JoLynn Braley: What was your huge inner breakthrough Christian? The one you said you had to make and then your business started exploding and then doubling each year?

02:11:25 Drew McMahon: Best Teeth ever

02:11:26 Diana Kraft: @Cynthia - yes, soul's evolution

02:11:26 Lorna Lyons: Can you share the big breakthrough that made is all change for you?

02:11:27 Fiona Tan: very true!!

02:11:28 Nathaniel Woods: "Your safe, but you will never soar" Steve Harvey

02:11:29 Sharon Krawetz: Love it!

02:11:38 Nancy DeParga: Rightly said!!!

02:11:46 Cristina Luis: have you met steve Harvey?

02:11:49 Jasmine Ashley: Your mind is like a parachute if it's not open you can't soar

02:11:50 Thérèse Lemmen: That was amazing. Great admiration for Steve Harvey!

02:12:00 AndrewM.Nadal(AndrC.): My respects to Steve Harvey. Now he jumped to enjoy his Rolls Royce.

02:12:04 Jasmine Ashley: Fly with eagles my friends and you'll soar

02:12:08 Julie Team Christian: "As you go through the adversities you get stronger."

02:12:09 Teresa O'Keefe: I jumped and then life threw some serious unexpected turbulence and obstacles, put me in a position that I'll certainly have some empowering stories to tell when I'm out of the storm I'm still in.

02:13:07 Elizabeth Hayduk: Theresa O'Keefe: Hugs & prayers, Hon. xx

02:13:17 Sherry Zhang (Xiaoqin): So inspirational!

02:13:35 Bill Morillo: Yes @Julie... even when you jump into those adversities!

02:13:39 Roxann Roeder: Hugs Teresa xoxo You got this!

02:14:11 Teresa O'Keefe: I believe 100% I will - thank you!

02:14:28 Diana Kraft: @Teresa - gotta love those great stories... especially in retrospect :)

02:14:47 Teresa O'Keefe: I didn't have any good rock bottom story - i do now, lol

02:15:04 Diana Kraft: Congrats!!!!

02:15:08 Helaine Harris: Theresa, sending you hugs, prayers and Love.

02:16:00 Julie Team Christian: Here is a clickable link for you!
<http://bigsucessvip.com/>

02:17:41 Nicole Murat: How can we get notified when this opens up again?

02:18:18 Bob Sinclair: Are all things virtual?

02:18:19 Nicole Murat: Don't feel comfortable with the debt. It's more for Canadians.

02:18:45 Maury Power: where is it?

02:18:46 Sara Masters-3075: is their full coaching on the marketing side beyond writing copy?

02:18:47 Jasmine Ashley: Its a no brainer how bad do you want it the value is beyond the price

02:18:52 Julie Team Christian: If you know you want to join BIGS- even if you are not sure how it will happen... go to <http://bigsucessvip.com/>

02:18:55 Nicola Stockberger: How can we join when we know we are financially stretched. Should we apply anyway? I really want to do this!

02:18:56 Michelle: would you please kindly let me know the name of the financial company??

02:19:16 Sara Masters-3075: will there be more then the 1 in person ?

02:19:25 Kay Kirkman: Here is a clickable link for you!
<http://bigsucessvip.com/>

02:19:35 Doc. Mitchell: Can we do Peace Process on ourselves

02:20:06 Tina (BkLir member): @Teresa...hugs, strength, creativity, and love. You got this! Breakthroughs are on the horizon!!

02:20:08 Sylvie: Can we do Peace Process on ourselves
How?

02:20:15 Glenn Greenfield: If I'm doing the math right, It's 18 months of BIGs and you get 20 months to pay. What a great deal!

02:20:23 Julie Team Christian: Fill out the application, pay the fully refundable deposit, and see what opens up for you!
<http://bigsucessvip.com/>

02:20:40 Bob Sinclair: On average how quickly do people start making money?

02:20:46 Tina (BkLir member): Christian: What's the name of the finance company??

02:21:21 Carla Sridevi Cohen: That is a good point, but I need help getting over the line - from old to new

02:21:28 BIG Tif Loeffler: going through the application process is a worthwhile business growth experience - however uncomfortable

02:22:13 Jasmine Ashley: Wait Christian please share that again don't base your financial etc... that's a freaking bad ass quote

02:22:16 Sharon Krawetz: What if you are really just getting started with your business idea?

02:22:38 Julie Team Christian: If you are feeling the call to join, fill out the application and pay the fully-refundable deposit to see what is possible! <http://bigsucessvip.com/>

02:22:39 Maury Power: How Long do you have to pay/decide after deposit

02:22:47 Diana Kraft: @Sharon - that's where I'm at, too

02:22:52 Wendy Keilin: I applied. Are more appointments with the team opening up? Right now they're all in the middle of the night here in Australia.

02:23:04 Diana Kraft: Don't yet have the thing to be built

02:23:45 BIG Tif Loeffler: better to grow through uncomfortable moments in order to get some major growth

02:23:59 Julie Team Christian: "Success is inevitable if you are willing to do the work, and you are willing to work on yourself."
<http://bigsucessvip.com/>

02:23:59 Wendy Keilin: And you are right - the application was *so* clarifying, worth doing just for the clarity.

02:24:03 Jasmine Ashley: It was

02:24:23 Caesi Bevis: How long is the session with you - and how soon do we get that once we join?

02:24:39 David Lawson: If we pay the 199 how long do we have to decide?

02:24:45 Michelle: Christine, if you have more than one nich, how do you market test to determine which one start first to be successful???

02:25:24 Caesi Bevis: QUESTION: Do you only consider endorsing people's coaching programs if they are members of BIGs?

02:25:30 Maury Power: lunch is today?
02:25:43 Jasmine Ashley: Julie team Christian that's what's up
02:25:59 Bill Morillo: I encourage you to sign up for the interview even if you are on the edge. Even if you don't end up signing up taking the action for something BIG is a breakthrough worth going through.

02:28:42 Sara Masters-3075: do the bigs ever get together in person with just some of the big? has it been just as powerful being so many done virtual now?
02:28:54 Cathy Knuchel: muscle test it !!
02:29:09 Roxann Roeder: yes on all 3
02:29:28 Shagun Singh: BIG is an awesome place to be but for right now 4.8 million is wayyyyyyyyyy out of my budget...one day for sure....
02:29:33 Bob Sinclair: I would do it but sadly money is the issue.
02:29:58 Thérèse Lemmen: Bob, Understand.
02:30:22 Michelle: is it possible to delay the lunch for BIG to dinner? so we have time to arrange things?!thx.
02:30:22 Simon Zutshi: what happens after 18 months? how much is it to stay in again?
02:30:44 Roxann Roeder: Money is the issue for me too.
02:30:53 Caesi Bevis: QUESTION - Do you have an Affiliate or JV relationship with the finance company?
02:31:01 Sara Masters-3075: the application was so inspiring on its own
02:31:02 Amalia Montague: Same for me also @bob It would be perfect for me. I am putting an image of the course on my visionboard and will take action to be able to get on the program at a later point :)
02:31:07 Julie Team Christian: Going through the application is a powerful exercise in and of itself. If you are ready to see what is possible, <http://bigsuccessvip.com/>.
02:31:08 David Lawson: Do your Bigs that do well graduate to your Limitless mastermind?
02:31:28 Limitless Adelle King: The application process is really great just to go through it. It creates a lot of clarity. If you're considering BIGs, it's totally worth applying!
02:31:58 Julie Team Christian: You can do all the work to be successful on your own--or you can do it with all the help, support, and community! <http://bigsuccessvip.com/>
02:32:02 Limitless Adelle King: Ha, Julie, just saw that we wrote the same/similar think, lol
02:32:17 Julie Team Christian: @Adelle: Great minds!
02:32:29 Melinda Høgvard: Have all the BIGs Coaches done BIGs?
02:32:42 Limitless Adelle King:
02:32:45 Maury Power: what is price for next year
02:33:09 Sandy Kang: good answer
02:33:17 Julie Team Christian: "What is the price for next year? All the income lost from not taking the steps now."
<http://bigsuccessvip.com/>
02:33:31 Maury Power: I mean what is the price for each year after we join?
02:33:38 Jasmine Ashley: He's teaching us all the questions people tend to ask this man is the freaking truth
02:33:47 Teresa O'Keefe: The best you can do is be ready to be ready
02:35:00 Limitless Adelle King: Yes, Jasmine! So true!
02:35:00 Maury Power: yeah Teresa
02:35:42 Maury Power: I really don't want to be 70 looking back saying I was afraid of going for it... I want to soar darnit!
02:35:46 Teresa O'Keefe: Exactly, Jasmine - this is learning about objections

02:35:52 Jasmine Ashley: Limitless Adele King we in the right place at the right time

02:35:56 Elizabeth Hayduk: Life is for us, not against us.

02:35:58 Wendy Keilin: What times of day are the various monthly / weekly calls? Which ones are US morning?

02:36:02 Shelby Matthews: If we have a family member in BIGS, does that count toward the discount you mentioned?

02:36:07 Tina (BkLir member): Soooo true Christian!!! The Universe does conspire in your favor

02:36:12 Julie Team Christian: "When you take action, the universe conspires in your favor."
<http://bigsuccesstv.com/>

02:36:17 Lottie Cooper: YEs Yes

03:18:25 Thérèse Lemmen: Helaine, Be an awesome example for you and us!

03:18:31 Diana Kraft: I like quality years over quantity years

03:18:33 Dianna Whitley: I think that projection is that if you can live 12 more years, you have a good chance of living to 120.

03:20:48 Stephanie Moxey: She still has sooooo much to give! That would be nutty to limit her because of her age...

03:21:17 Fiona Tan: Caesi..YES...50 with the 30 energy.

03:21:35 Diana Kraft: @JoLynn and activity - the body like to adapt to how we choose to stress it

03:21:42 Dianna Whitley: I might end up joining at 80 - my credit score is too low now to get the financing, but I'm working on it!

03:21:47 AndrewM.Nadal(AndrC.): Go Helaine. Regardless of age, we are invited to act today, because no one knows if tomorrow we will die on any accident or event. Tomorrow's is not guarantee for anyone.

03:21:58 Virginia See: @Ellen- you are welcome

03:35:53 Drew McMahon: I did ONE live Webinar back in 2015, made \$338,000. Sold a consulting package to Plumbers. PayPal froze my account but I got my money 90 days later. One Event can make 6 figs.

03:36:12 Julie Team Christian: If you are feeling confusion, blocks, etc., tune in as Christian is going deeper here!

03:36:30 BIG Kristin McHarg: Wow! Drew!

03:36:43 BIG Dr JuJu Love: @Drew - that's amazing!

03:37:01 Caesi Bevis: @Heather McKay Novak - I live near you if you are in Malibu --- my contact database are mostly CEOs business, healthcare, and boardmembers of charities, etc. That level + higher level entertainment industry. Find me in FB in Christian's group or do a search for me or on Linked In - maybe refer back and forth - ? We don't overlap - we are parallel.

03:37:06 Drew McMahon: Yes, I'm a Risk-taker who can't sleep.

03:37:14 Diana Kraft: @Drew - May I ask why PP froze your account?... is there a sales limit?

03:37:15 Cristian Moldovan: What Christian said right now is worth more than the BIGs in her case

03:37:54 Sandy Kang: paypal is a pain. I use Stripe now

03:38:19 Drew McMahon: PP froze my account because they said 'too much money came in too fast'

03:38:33 Sandy Kang: fast and furious!

03:38:39 Carla Sridevi Cohen: @Drew, good problem to have

03:38:43 Thérèse Lemmen: Sandy, Good to know.

03:38:45 Drew McMahon: PP sucks. Stripe is 100x better

03:38:54 JoLynn Braley: How long did it take them to unfreeze it Drew?

03:38:56 Julie Team Christian: Here's the link for Heather (and anyone else who is ready for community, creation, and expansion through BIGs) to see what is possible: <http://bigsuccessvip.com/>

03:38:58 Diana Kraft: @Drew - way to mess up paypal!

03:39:16 BIG Dr. Jill Rosenthal: Yes, Paypal business is a pain. STRipe much better.

03:39:29 Ade Oduntan: Grate Heather.

03:39:30 Drew McMahon: PP told me 180 days but my lawyer sent a letter and they UNfroze in 90 days.

03:39:37 Dr Michelle - Inner World Coach: ME TOO!!!

03:39:45 Diana Kraft: Thanks, for the heads up on Stripe.

03:39:47 Caesi Bevis: I LOVE PayPal - but you need to let them know what types of price point payments will be coming through so it doesn't trip for money laundering.

03:39:55 Carol Stokes: Christian, you were made to do this, for sure!

03:40:05 Cynthia Higgins: This has been so helpful for healing, inspiration and teaching!

03:40:17 Sandy Kang: now with over 360million paypal customers, they don't care about the customers anymore

03:40:18 Thérèse Lemmen: Drew, Great idea to get an attorney!

03:40:20 Sandy Kang: u speak to an AI.

03:40:21 BIG Dr. Jill Rosenthal: objections are usually fear of some type.

03:41:00 Julie Team Christian: "We are infinitely powerful, infinitely resourceful, and infinitely creative. We can have, do, and be anything we want."
<http://bigsuccessvip.com/>

03:41:05 Diana Kraft: @Sandy - do you mean speak to an ai at PP?

03:41:15 Sandy Kang: yes

03:41:31 BIG Bill Morillo: I look at it regularly. I am infinitely powerful!

03:41:36 Drew McMahon: @Caesi, NOT true. PP sucks. I called them 3x prior to my event to explain in detail. They said all is OK. PP is great until they screw you over.

03:41:41 Diana Kraft: not an ai fan

03:41:49 Dianna Whitley: For people who want to get away from Paypal, someone I trust just told me to check out DirectPay, and it sounded really good.

03:42:13 Kevin Williams: Guys, stop bickering over payment systems and focus here.

03:42:34 Randy Rogers: @kevin thank you

03:42:35 BIG Tif Loeffler: and shaking up Twitter!

03:42:47 Caesi Bevis: @ Drew McMahon - I don't know why you had problems - - Christian uses PayPal for payments If PP had issues, do you think he would be using it? Most of the top A- list trainers all offer PayPal option.

03:43:49 Iana: what is the updated statistic, numbers in this business now? is it growing/ going down? as I have a feeling that there are some

03:44:07 Ines Gniwotta: Nicola, do you mind sharing your poem? It is really inspiring.

03:44:42 Iana: so many coaches now. But I understand that's finally it is all about the mindset and personality

03:45:04 Drew McMahon: @Caesi, PP said my activity was Higher than normal use, duh! I know dozens of gurus bigger than Christian who no longer use PP. PP always believes the customer, screw the seller.

03:45:40 Nicola Stockberger: @Iana Yes, I will type it in at lunch. Thank you!

03:46:04 Drew McMahon: Make sure you have a backup merchant account.

03:46:17 Diana Kraft: good advice

03:46:21 Caesi Bevis: @ Iana - I track stats. Generalized "life coaching", where people just hang out their shingle without having qualifications or specific market focus is 'down.' Public is getting smarter. However, if you have a well defined market niche, and are quailed to coach in that area, not a wanna-be, you probably will do very well.

03:46:30 Sandy Kang: Yes. tat is true CM!

03:46:56 AndrewM.Nadal(AndrC.): Very inspiring Chris . Thank you

03:47:10 Team Christian: Until one is committed, there is hesitancy, the chance to draw back. Concerning all acts of initiative (and creation), there is one elementary truth, the ignorance of which kills countless ideas and splendid plans: that the moment one definitely commits oneself, then Providence moves too. All sorts of things occur to help one that would never otherwise have occurred. A whole stream of events issues from the decision, raising in one's favor all manner of unforeseen incidents and meetings and material assistance, which no man could have dreamed would have come his way. Whatever you can do, or dream you can do, begin it. Boldness has genius, power, and magic in it. Begin it now.
-Johann Wolfgang von Goethe

03:47:32 BIG Dr. Jill Rosenthal: Gotta throw your hat over the fence!

05:55:35 Sylvie: Hi Team Christian, will you be able to share the music list with us before the end of today? Thanks in advance.

05:55:42 Verna: ****IMPORTANT CHRISTIAN: A thought just came. The last participate coached before lunch, Novillia, has the passion, potential and motivation to be a success, if just given a chance. I can see you grooming her to be that heralded success story for your business, which could be great advertisement for your business to demonstrate, that if she can do it, anyone can---not that your business would need it, since many have already achieved success from the BIG COACHING PROGRAM. This communication is Just transmitting to the Universe a miracle for Novillia, that she can take advantage of this extraordinary opportunity to transform her existence, and the future lives of others she's meant to impact. She just needs that chance. Historical past traumas, identified or not identified, can wreak profound damage to one's existence, and unfortunately some have no idea what is at work keeping them stuck, bringing so much pain and misfortune. Keep up the good work. Novillia is open to receive this miracle.

05:55:54 Carolyn Jones: Unstable internet since the return from lunch -- kicked off as the dancing started.

05:56:47 Rachelle Beckman: Can we get a pdf of this in resources please?

05:56:51 Ellen Eatough: WOMEN: What do you think is best for a program title for women over 50 looking for their life partner?

06:04:14 Dianna Whitley: Does that say Hot Content after lunch the 2nd day?

06:04:24 Iana Perevoshchikova: is it ok to make all these offers on the event for which people pay? They gave their resources (time, money) to work on specific topic. How can we benefit from these by advertising during the event? if it's free webinar/ event, it's ok.

06:04:31 Sharon Krawetz: Yes Dianna

06:04:33 Virginia See: Dianna- yes

06:09:30 AndrewM.Nadal(AndrC.): When to put your videos? Attached to the offers, like you did?

06:09:45 Randy Rogers: Sean will that give me detachment syndrome

06:10:14 Sean Tjia: @randy: what do you mean by 'detachment syndrome'?

06:10:17 Denise Toffey: You were great in even asking an additional time if people still needed support to join Bigs. That was brave and dedicated.

07:25:17 Sharon Krawetz: Thank you Christian and Team Christian for these past 3 days. Much Appreciated!

07:25:30 Helaine Harris: I learned so much about making offers! It's like you created the program itself around all the offers you made and in that way demonstrated how to do it.

07:25:54 Adriana Steinwedel: Please do another Q & A. Since we have time set aside, maybe do a small section on copywriting.

07:26:45 Michelle: you can make offer in day1,2&3! in virtual version, it's better to offer maybe in day 2 morning before lunch break and in the afternoon around 3-4 pm before dinner break & it's fine to do offer again on day 3 after lunch break.....if there is multiple offers we can spread it accordingly on day 1,2&3!

07:29:15 BIG Kristin McHarg: Helaine! You are an inspiration!!! :D

07:29:24 Drew McMahon: I think its Critical to make people feel relaxed and tell them not to worry about buying if they don't have the funds or whatever at this time. Christian did this Day 1. Then they can buy the Downsell form \$97 to \$2,000. You have a real good chance at getting some money.

07:29:50 Helaine Harris: I am warrior, even before it was fashionable.

07:34:35 Teresa O'Keefe: ADMIN - will today's chat be in the resources along with day 1 and Day 2?

07:34:36 Helaine Harris: You're a great role model how each of us can be who we truly are. and actually help others grow.

07:34:52 Michelle: how do you do copyright, TM??

07:35:01 Teresa O'Keefe: Ellen - ignore them. That's all I've ever seen anyone do.

07:35:04 Karin Wikstrom: Will the resources page stay up? Will the chat from today also come up?

07:35:12 Obianuju Okeke: How long does it take you to obtain trademarks for names of your programs/biz? what is the process?

07:35:24 Sylvie: ADMIN - when will we get the Music List? Thanks :)

07:35:37 Ellen Everts: @Teresa, thanks!

07:35:46 Lottie Cooper: Thanks @PEter

07:35:52 Anne Reynolds: @Craig I would say the logic is model/teach related content to peak interest then make the offer that is deeper than what was featured

07:36:00 AndrewM.Nadal(AndrC.): If it works, keep it.

07:36:08 Dr Michelle - Inner World Coach: How many live events do you plan in your pipeline?

07:38:15 Drew McMahon: @Adrianna, I'm in a \$40k MM with 100 people.

07:38:15 Caesi Bevis: RE Trademarks, Copyrights, Water Marks, Patents: All this is on the US Copyright website and needed links. While over 40 countries honor the Geneva Convention, ideally re-register your material and names / marks (like a logo) in all countries where you will do business. The website will explain if you are doing a series with similar names on "how to group" which will save you money. IF you are doing books, you will also need to get bar codes if directly selling your books at an in person event (for scanning).

07:38:35 Drew McMahon: @Adrianna, I'm in a \$40k MM with 100 people.

07:38:42 Diane Sassano: Tank you CAsai

07:42:14 Caesi Bevis: Sugar Free Klondike bars - excellent
07:42:15 Kathleen Stapleton: any suggestions about CRMs? Keeping track of marketing sequences? What about staff< or hiring a virtual assistant.
07:42:36 Melle Abrams: I love the insight of anxiety in your dog being related to anxiety in the owner, that's so interesting
07:42:41 Dianna Whitley: Can you add in things like barking, peeing, biting, chewing?
07:43:02 Drew McMahon: @Kathleen, Infusionsoft or ActiveCampaign are tops.
07:43:09 David Team Christian: Yay Amy!
07:43:13 BIG Dr. Jill Rosenthal: @Dianna that makes having a dog sound like so much fun! LOL.
07:43:20 Ben: Aimee, have you watched Dog Whisperer or Cesar 911, etc. What about adding something in the event teaching the humans to be secure & calm leaders to help the dog feel & learn to be secure - like Cesar Milan the Dog Whisperer does with calm assertive energy & teaching healthy boundaries - Most of his TV show episodes support people with this
07:43:57 Iana Perevoshchikova: once a week
07:44:00 Miriam Segal: @Kateline - good question!
07:44:01 Rochelle Lisner: DOG separation anxiety is HUGE...I have problem with my dogs and so many people are also having trouble because they are starting to go back to work. Dogs are freaking out that they are being left alone.
07:44:10 Dianna Whitley: @Dr Jill Rosenthal - I wasn
07:44:17 BIGs Ellen & Dennis: CHRISTIAN: With Aimee, you said there are two things to think about: What is the 2nd?? (You said the 1st is How long will it take to get them the results?)
07:44:18 BIG Dr. Jill Rosenthal: I'm kidding Dianna
07:44:23 Teresa O'Keefe: Click Funnels has upgraded to a one stop shop i priced a bunch of options and it hit all the marks for me
07:44:26 Dianna Whitley: Oops - I wasn't thinking that one dog would have all that! LOL
07:44:34 Drew McMahon: You can TAG people who did NOT attend your webinar.
07:44:40 Caesi Bevis: @ Kathleen Stapleton - which industry? For example, there are therapist software for CRM that would be unique to therapists. OR do you want to use say an autoresponder, like Mail Chimp or aWeber? If you are talking marketing sequencing, this sounds more like what we do in building funnels and doing split testing to find out what works best.
07:44:44 BIG Dr. Jill Rosenthal: @Dianna can't stop laughing now.
07:45:20 Dianna Whitley: That's great Dr. Jill. LOL
07:45:25 Sara Masters-3075: what do we pay JV partners? what's standard costs????
07:45:43 Randy Rogers: trust of the host
07:45:52 BIG Dr. Jill Rosenthal: I think my brother's dog does several of those things.
07:45:56 Caesi Bevis: @ Sara Masters - - Usually JVs get 50%.
07:46:06 Cristian Moldovan: @Sara, depends on the product. 50% is a good start.
07:46:25 Aimee Kartzman: thank you for all the support! Yes, this work is gentle, mindful and gets amazing results super fast. It also requires the human to be aware and take responsibility of their own energy which is why I love it. It's the opposite of training
07:46:53 Drew McMahon: 90 min webinars typically get 8 to 12% on Cold traffic. Warm traffic as high as 20% with prices \$997 or lower.
07:47:17 Michelle: thanks sooo much Adrian! do you have WhatsApp number, I'll be in touch? did you register in any program here??
07:47:25 Sara Masters-3075: 50% of profit of sales??
07:47:39 Sara Masters-3075: so only can have 1 JV then??
07:47:43 Noelle B: Aimee yes it is to work with the human state of mind and the effect on the dog as well as learning what to do to help the dog
07:47:43 Drew McMahon: 50% ???
07:47:58 Rochelle Lisner: Aimee KARTzman....please reach out tome. I'm interested in what you know about dogs and separation anxiety. My dog is a mess with that.

07:48:01 Cristian Moldovan: @Sara, 50% of what revenue they generate.
07:48:11 Kathleen Stapleton: Thanks @Caesi. I am in the financial services industry, but my software doesn't follow a marketing sequence. And I don't have any vA. But I have heard they can be helpful. So, just wondering.
07:48:23 Cristian Moldovan: Also, if you have a subscription offer, you can give out 100% of the first payment.
07:48:25 David Lawson: Tony Robbins does the same free event just gives it a new name.
07:48:30 Adrian Williams: @Michelle best to find me via the Coach Club FB group :)
07:48:35 Sara Masters-3075: from what they generate? I see.. so they have a code to track
07:48:42 David Team Christian: Yay Kateline!
07:48:44 Craig Hardin: Question - If doing a campaign & promoting multiple times, do you suggest doing it with JV partners in the 1st round of promotion, middle or towards the end of the overall promotional period?
07:48:46 Maren Dancer: I don't know how to access the Resources Can anyone help me find it?
07:48:59 jasmine ashley: It's been amazing family I have a Mindvalley Mastermind event booked so I'm going to have to go this has been an amazing 3 days thank you Christian thank you everyone thank you team Christian thank you BIGS family I'm grateful for all of you

07:49:33 Elizabeth Hayduk: TEAM Christian: Will the FB grp. remain active for us when this event is done?
07:49:38 Drew McMahon: Christian uses Infusionsoft, it does all the Tracking and JV payouts. I use the same.
07:50:09 Kay Team Christian: Yes @Elizabeth the Coach Club Facebook Group will stay open
07:50:16 Cristian Moldovan: Infusionsoft has quite a learning curve if you are just starting.
07:50:52 Fiona Tan: Agreed with you Cristian....
07:50:52 Limitless Adelle King: Kajabi dose affiliate commissions tracking as well. I think it's pretty user friendly.
07:50:53 Drew McMahon: That's why some call it Confusionsoft
07:50:57 Elizabeth Hayduk: TY, Kay. :) xx

Also, will today's chat be posted on the resources pg for us to access?

07:51:24 David Team Christian: Yay Neela!
07:51:35 Craig Hardin: Question - In the Module overview slides, do you focus just on the benefits, or do you also at a high level touch on / mention key content from that module?
07:51:35 Alphonso BN: I use an awesome CRM that is a combination of Clickfunnels + Kajabi & is way easier and convenient than Infusionsoft.
07:51:42 Sara Masters-3075: if I go live everyday I so start getting a lot of followers... then what to do with them... ahhh I don't know??

07:52:52 Lisa Driver: Thank you!!!

07:52:53 Denise Toffey: You dine bring it

07:53:00 Sara Masters-3075: July 21-23

07:53:09 Sara Masters-3075: YES!!

07:53:10 David Team Christian: It's time to create an action plan!

07:53:13 Cristian Moldovan: @Sara, JV's are not for hire. You generally look for people that have the same target audience and more people in the database than you, and you partner up with them. To find them, you need to research who are the players in the market.

07:53:28 tyrus: repeat that

07:53:29 Cristian Moldovan: My event is 20-22 May

07:53:33 Miriam Segal: What were the points in the action plan again, please?

07:53:34 Elizabeth Hayduk: I've put mine on for August, just before schools open: it's for mothers of autistic children, finding and getting essential resources

07:53:37 David Team Christian: Let it all out messy style- without timeline. We will refine next.

07:54:03 Michelle: July 19-21 my date! thanks Christine

07:54:29 Arnie Buss: I'm nowhere near being able to do that. All I have is a title so far, not much content, no idea of the offer. I'm a "slow start" ...

07:54:54 Sara Masters-3075: okay.. so I will need to get a big following sounds like.. @Christian Moldovan

07:55:05 Dr JuJu Love: What's the writing activity about? Had to take a bathroom break...

07:55:12 BIG Dr. Jill Rosenthal: action plan

07:55:18 Limitless Adelle King: Action plan for our event

07:55:44 Dr JuJu Love: OK Thanks Dr. Jill & Adelle

07:55:48 Diane Sassano: @JUJU action plan... fill.. offer... prepare content... uosale

07:55:52 Limitless Adelle King: You're welcome!

07:56:01 Team Christian: Write an action plan for:

- * Filling your event
- * Creating your content
- * Offer
- * Upsells

07:56:06 Dr JuJu Love: Thanks Diane

07:56:19 Diane Sassano: @Juju hear

07:56:24 Diane Sassano: Welcome \lol

07:56:31 Drew McMahon: I'm definitely having Guest speakers.

07:56:52 Arnie Buss: I have no idea how to fill an event

07:57:17 Diane Sassano: Im going to have 2 women that are in alignment with my event

07:57:34 Cristian Moldovan: @Arnie just start by inviting the people you know

07:57:43 Drew McMahon: Isn't that what he's been teaching for 3 days?

07:58:46 Diane Sassano: @arnie do a webinar...

07:58:59 Arnie Buss: I don't seem to have absorbed enough to create an action plan

07:58:59 Drew McMahon: Start a FB Fan/Business page, run FB ads, do FB Lives, send to your email list, tell family/friends, etc...

07:59:17 James Thompson: You deliver and yes, you do overdeliver.

08:00:08 Dianna Whitley: If you have guest speakers and they offer a program (a a JV arrangement) does that end up cutting into your own signups, or does it even out because you're probably getting 50% of what they get?

08:00:37 Diane Sassano: @DIanna depends on your own arrangement

08:00:41 Verna: CHRISTIAN, WHERE TO FIND AGREEMENTS AND COPYRIGHTS FOR ONLINE DIGITAL AND WEBINAR PRODUCTS CREATED TO APPEND TO THEM?

08:01:16 Drew McMahon: Guest normally do NOT make offers, Maybe a cheat sheet or mini program for FREE to capture email.

08:01:26 Diane Sassano: If there new to coaching you can help them get client or their info out there and

they come for exposure

08:01:38 Noelle B: where to find waiver templates or legal document guide to run event ?

08:01:45 Cristian Moldovan: @Arnie - think of it just as you'd think of a birthday party. Decide who you want there, figure out where they can receive your invitation and how, ask for attendance confirmation. Host the party. At the party let them know of the opportunity to take a journey with you.

08:01:58 Dianna Whitley: I'm going to promote thru FB Lives, LinkedIn and IG, my FB group Staying Young, the masterminds I'm in, Meetup, blitzr, Google My Business, and a webinar.

08:02:05 Sara Masters-3075: that's a good arrangement with the tracking software.. I just am not a tech pro

08:02:23 Dianna Whitley: Thank you @Drew.

08:02:29 Diane Sassano: @Sara go simple don't complicate

08:02:35 Drew McMahon: I'm going to Hire a Celebrity to be at my event. they were a former American Idol.

08:02:41 Cristian Moldovan: @Sara you don't need to be. Find a partner to help you out.

08:03:02 Verna: CHRISTIAN, WHERE TO FIND AGREEMENTS AND COPYRIGHTS FOR ONLINE DIGITAL AND WEBINAR PRODUCTS CREATED TO APPEND TO THEM?

08:03:30 Cristian Moldovan: @Drew, is your Celebrity addressing the same audience you are?

08:03:42 Arnie Buss: Thank you for the suggestions

08:03:59 Anne Reynolds: @Drew good draw

08:04:07 Sasha Tarasova: This was a great exercise

08:04:19 Drew McMahon: @Christian, yes.

08:04:29 Noelle B: What is a good time frame for promotion ?

08:04:39 Sara Masters-3075: I'm trying to find a marketing partner... have been and I have spent lots with no system.. ugh

08:04:46 A: @Christian Moldovan - thank you! ☺

08:04:48 Cristian Moldovan: @Drew, than make it count!

08:04:50 Cristian Moldovan:

08:04:50 David Team Christian: Action plan draft #2: Now take what plan you created and put it on a timeline. I.e. add more specific timelines, dates, order.

08:05:14 Sara Masters-3075: I am going to start lives and give away tons free content daily...

08:05:47 Shelby Matthews: Are these webinars that we do to sell our events etc supposed to be free?

08:06:12 Maury Power: go Sara!

08:06:19 Drew McMahon: @Sara, do FB lives, 5 minutes each. Then spend \$5.00 day to run Paid ads to your target audience. Works amazing.

08:06:20 Sara Masters-3075: going to give free webinar and sell ticket to 3 day event..

08:06:32 5 - Ema - - EPM : @Shelby: obviously not necessarily, at least if you are Christian

08:07:07 Noelle B: good question Shelby, maybe you could start with 1 free followed by a low price one to raise the commitment of the interested prospects

08:07:49 Sara Masters-3075: okay yes I will do that!

08:07:58 Jason Parker: @Shelby you could also run it for free and then if you offer great value, you could sell the replay for low cost to recover some of ad spend

08:08:07 Jason Parker: The webinar that is

08:08:37 Dianna Whitley: I like the celebrity idea - I used to work w a lot of soap opera stars and I bet one or two of them would do it. Thanks yet again Drew!

08:08:40 Cristian Moldovan: Enya!

08:08:55 Shelby Matthews: @Jason and @Noelle Ooh that is good, thanks!

08:08:56 Maury Power: TR does a free FB and after they sign up he has \$297 upsell to live Zoom to be a participant.... what do you guys think?

08:09:37 Sara Masters-3075: is 10k expensive for a marketing expert to connect all the tech together

08:09:50 Maury Power: The HOOK has to be strong and a big promise and then you've got to deliver! Let's go

08:10:08 Yndi Rios: Nice Music

08:10:30 Cristian Moldovan: @Maury it works if you have an audience that knows, likes and trusts you. Prior experience of the audience with you is super important. If they don't know you, they won't buy the VIP because they don't know what level of value you bring.

08:10:35 David Lawson: I think Tony does well. Just changes the title. But his audience is huge and the event is free and the ones who upbuy he donates the money to a charity

08:11:12 Drew McMahon: Back in 2005 I hired 'William the Refrigerator Perry. Chicago Bears." I paid him \$5k for one entire day. Did radio commercials, print ads, and had a VIP session and got my money back.

08:11:29 BIG Dr. Jill Rosenthal: Are there people here for whom this event was their first exposure to Christian who applied for BIGs?

08:11:56 Arnie Buss: Since I'm just starting out, I'm not sure I can promise VIP-level things.

08:12:12 Alphonso BN: @Sarah... Yes 10K is too much... Usually I do the entire TEch setup for other for around 5K

08:12:18 Drew McMahon: You don't need VIP stuff.

08:12:29 Jason Parker: @Arnie VIP can be the recordings of the event

08:12:29 JoLynn Braley: Yes

08:12:41 JoLynn Braley: It's not perfect but it's there

08:12:57 Carla Sridevi Cohen: I am glad I bought the recording of this.

08:13:03 Candace Smashnuk: most action I have had in awhile

08:13:25 Thérèse Lemmen: Carla, Yes, great info!

08:13:28 Maury Power: Yeah I did standup and it's work

08:13:31 Bob Sinclair: Hire a Coach to teach you marketing.

08:13:38 Cristina Luis: Have you met Steve Harvey?

08:13:41 Sara Masters-3075: so all the links connect.. mail list opt in.. etc. I have a free e-book to give out I don't have an email list still... seems hard to learn or a block or too much time etc. I just want to hire that you

08:13:41 Maren Dancer: Help please - anyone willing to share after this is over,,,to help me create some of the details/. Also to help me to flesh out some of the things covered over the 3 days?

08:13:45 Candace Smashnuk: everything

08:13:49 David Team Christian: What was most valuable about this event?

08:13:49 Barry Morrow: How to reach best target audience? Funnels?

08:13:52 AndrewM.Nadal(AndrC.): He got funnier thanks to the IRS debt.

08:13:55 5 - Ema - - EPM : I don't like 3 day events

08:13:58 Candace Smashnuk: what was not good - it is a matter of the DOING

08:14:00 Simon Zutshi: Thinking about how to upsell events

08:14:04 BIG Kristin McHarg: Getting a plan for the next 3 months that I know will take me to where I need to go!

08:14:08 Ade Oduntan: Practice offer and offer process.

08:14:08 Nathaniel Woods: @Sarah can't answer that as don't know exactly what you mean by "connect all tech stuff"

08:14:14 Letitia Bates: Focus on the problem and heal the feelings

08:14:16 Noelle B: hire a VA to help with the event promotion ? and the admin part ?

08:14:26 Cynthia Higgins: You have helped us ground this experience in terms of understanding and action!

08:14:31 BIG Kristin McHarg: Knowing that my webinar feeds my event and feeds my program plus inspiration to create some bonuses!

08:14:44 Deb Woolridge: @Verna: check out google and enter what you are looking for. Also coach Ian Foster?? He does programs addressing agreements.

08:14:45 Laurence Ward: Going into motion, action! Manifesting my life.

08:14:45 Adetutu Songonuga: Everything has been incredible. I have loved watching how you facilitated over the past 3, long days. It's been amazing

08:15:01 Rochelle Lisner: Amazing George

08:15:02 Maury Power: tell us what it is George

08:15:02 AndrewM.Nadal(AndrC.): So many golden nuggets info. I feel I'm at university again. Thank you.

08:15:17 Melinda Høgvard: Most Valuable
The Meat!
You delivered LOADS of it!

08:15:17 Deb Woolridge: I like the activity that results in getting us started

08:15:18 Nicola Stockberger: the healing, structure, unconditional love and support. All content here. Was amazing group of people, team and company.

08:15:19 Lorna Lyons: Is there an Action Plan Template?
08:15:28 Diana Kraft: I like that wording - walked into new life... that's what it feels like CGVE has created for me, too
08:15:42 Deb Woolridge: Excellent George!
08:15:42 Rex Golston: a framework for my life's work "Rhythms for Life"
08:15:44 Carla Sridevi Cohen: Lots of great info, became aware of some limitations I was holding onto that I was unaware of. I feel confident I can do this. I've done it before, but I will be more effective at it now. OI also feel I can charge more
08:15:44 David Team Christian: Beautiful George!
08:15:46 Kateline Skylark: THAT IS WHAT I CALL COMMITMENT!! GO GEORGE
08:15:46 Kathleen Stapleton: That's awesome, George!
08:15:50 Michelle: to be able to plan the 3 days event, live!!
08:15:52 Lottie Cooper: Writing exercises helped a lot for inner motivation and creating a structure
08:16:11 Helaine Harris: I thought you're sending us an action plan template
08:16:12 Kathleen Stapleton: Boy, it
08:16:14 Dianna Whitley: Fantastic George! Welcome to your new life!
08:16:15 Cristian Moldovan: I'm thinking about not doing an event alone. What do you think about doing it with a partner?
08:16:20 Drew McMahon: Upwork is a good source for Copywriters. Emails, webinar scripts, sales page, etc...
08:16:22 Elle Oliver-Edmonds: I feel confident I can plan and host a 3-day event.
08:16:25 Karin Wikstrom: You make it so clear and simple
08:16:40 Mishelle Thorpe: @Helaine there's one in the workbook!!
08:16:51 Helaine Harris: thanks
08:17:18 Cynthia Higgins: Again, apologies to Christian and his Team for my being off camera; I'm spending the last few hours of life with my 19 year-old cat who has end-stage kidney disease...
08:17:19 Thérèse Lemmen: Maren, I would be happy to work together.
08:17:29 David Team Christian: Yay Carol!
08:17:36 Randy Rogers: we don't ask how we just do
08:17:37 Kateline Skylark: yaaay Carol!!
08:17:41 Rick Dumas: I'm looking to learn and share with others on the Coach Club FB Private Group <https://www.facebook.com/groups/cmcoachclub>
08:17:45 JoLynn Braley: Most valuable for me: really seeing I can do this. I just have to put it together now and offer it. So the landing pages, checkout, etc. Also a digital journal/workbook they can print out, the marketing emails, etc. The actual teaching, that will be the easiest part.
08:18:01 Tina R: Yay Carol!!
08:18:01 BIG Dr. Jill Rosenthal: Oh Cynthia, sending hugs. I have been there and it is so hard.
08:18:14 Kristin Nicole: Instagram's the best!
08:18:18 Noelle B: @Cynthia sorry for this, hope you have good support for you too going through palliative care and end of life
08:18:24 Cynthia Higgins: Thank you! I'm a hot mess, as the saying goes!
08:18:28 Aimee Kartzman: @cynthia - mega support and healing energy to you both
08:18:29 Mishelle Thorpe: I did that this morning already! haha
08:18:46 Diana Kraft: I don't have any social media yet
08:18:53 Cambria Berger: @cynthia So sorry to hear it. Wishing a gentle and honorable transition for the both of you
08:18:54 Sasha Tarasova: Smile!! Taking a pic of you
08:19:05 Limitless Adelle King: That's because you're the IG Queen @Mishelle!!
08:19:06 Cynthia Higgins: Thank you so much!
08:19:08 Dr Michelle - Inner World Coach: My internet dropped out, what was the tag?
08:19:11 Regena Peltan: What is our time deadline to get this done?
08:19:11 David Team Christian: Go on your choice about social media - preferably Instagram. (If IG tag @Christian.Mickelsen). Rave about this event or Christian.
08:19:24 Mishelle Thorpe: YAAAASSSSSS @Adelle!!
08:19:25 Drew McMahon: No IG here. I'm NOT a Hot Blond.
08:19:33 Bill Morillo: <https://www.instagram.com/christian.mickelsen/>
08:19:36 Christian Mickelsen: @Christian.Mickelsen

08:19:38 JoLynn Braley: So just add the hashtag #Christian.Mickelsen yes?
08:19:44 Elizabeth Hayduk: The tools to create, plan, and make a plan of action. I still have a few legalities to look into, but I believe I can take my ordained pastor & counselling training & experiences to create an online coaching business. I also know my niche: Working with Mothers of Autistic children to help them gain access to essential resources.
08:19:48 Deb Woolridge: That is a brilliant strategy for testimonies.
08:20:00 JoLynn Braley: I think you need the hashtag
08:20:02 Mishelle Thorpe: He said it correctly its the @ to tag him
08:20:05 5 - Ema - - EPM : unable to sign in on instagram
08:20:16 Rachelle Beckman: @Drew - Thanks for sharing so much valuable info with us!!
08:20:28 David Team Christian: If not IG you can do it on any social media platform you want.
08:20:33 JoLynn Braley: Add the hastag to your pic you post, I'm pretty sure, but I guess we can try the @ and the #
08:20:51 Drew McMahon: @Rachelle, my pleasure.
08:20:56 Roxann Roeder: What was the hashtag to use?
08:20:57 Elizabeth Hayduk: I promoted you in 12 grps. b/f this event. I will go back to brag about it--8 FB grps & 4 Telegram grps
08:21:00 Tif Loeffler: YAY CANDACE!!!!
08:21:00 Rodolfo Rodriguez: Awesome Candice!
08:21:01 Mishelle Thorpe: @JoLynn to tag someone on Instagram, its @username not the hashtag
08:21:21 Candace Smashnuk: even if you make mistakes - they make you better not worse
08:21:22 David Team Christian: Rixann if on IG use @Christian.Mickelsen
08:21:44 David Team Christian: or #Christian.Mickelsen ?

08:22:17 Deborah Milotte: Love this share on 'socials'!
08:22:19 David Team Christian: Yay Erica!
08:22:33 Tina R: Yay Erica!!
08:23:00 Limitless Adelle King: Aww, Rochelle! You are such a love!
08:23:00 Drew McMahon: Facebook and Email are all you need to fill your event. Don't think you need to dominate social sites. Pick one site and collect emails.
08:23:12 David Team Christian: Tag Christian '@christian.mickelsen' in IG. share your take-away and we'll pick a winner.
08:23:29 Aimee Kartzman: OK, not an IG person, found his page -- where do I leave the testimonial?
08:23:37 Kateline Skylark: is this IG thing for stories or posts?
08:23:51 Maury Power: Big Rocks!
08:23:55 Helaine Harris: I don't know how to get into my instagram account.
